**Sir,**

With due respect I beg to, state that I went to Puri Govt. Hospital on Dt-08.10.2017 with my wife she was pregnant and it was her second issue. It was around 9.30 pm, The doctor on duty refused to operate my wife and told that it is already late and some staffs are also not present. The doctor told us to take your patient to any PVT. hospital.

Then one person (dalal) told us to take our patient to Sivananda Nursing Home which is near to Govt. hospital and all doctor is staff present there.

It was already late so we took our patient to Sivananda Nursing Home at around 11 pm. After deposit our money the doctor operate and a baby child was born at around 12.30 am. The next day no doctor nor paediatric doctor come to check the condition of mother or child unfortunately we found our child dead at around 2 A.M. next day.

Then, I Lodged a complaint in local Khumbharapada Police station, Puri that due to negligence of the nursing home our child is dead.

Then Police came and took the proprietor of the nursing home Mr. Sagar Ranjan Srichandan into Custody. Then Police told us to wait for the post -mortem report and released the owner.

Then after someday a samon came from S.D.J,M court and I went there and concern clerk told me that the post mortem report is not against their hospital so the case is closed and took my signature.

Meanwhile I lodge a complain in SHRC. I case no is-4793/2017 During the trail of the case honourable judge told the Mr. S.R. Srichandan to produce the formal document of the nursing home. But the owner couldn't produce any valid document. The permit of the nursing home is valid till 31.3.2017 and apply for renewal. The owner couldn't produce any valid document, Hence the case is in favour of us The hon'ble judge order a penalty of Rs 2 Lakh and order Govt. to seal the nursing home GR no.7281 online Date.02.06.2022.

This type of case happen regular their but due the favour of the police and judicial staff the owner is running the nursing home without any fear in the heart of the town which is violet of human rights.

Another case is running regarding this matter filed by S.R Srichandan in high court Cuttack to open his nursing home. The case number is 14376/2022.

But I am not satisfied with the penalty given to me. I want 20 lakhs and criminal case should run against the Sri S.R Srichandan, So that any other would dare do so.

**Yours Faithful**
